Our award-winning creative team can help you look your best ...

... without breaking your budget.

# Our Creative Services Include:

---

1. Corporate identity
2. Brochures and e-Brochures
3. Print, online, and outdoor advertising
4. Trade show and job fair displays
5. Presentation materials
6. Other collateral materials

"You've been great to us over the years. In my budget, there's only one line item that's non-negotiable, and that's Haley Marketing."

**Andrea Hill,**  
Johnson & Hill

# Brochures and e-Brochures

The right brochure can educate prospects, build credibility, and close sales. That's where we come in. We can help you "WOW" your clients, even if you're on a shoestring budget.

# Print, online and outdoor advertising

We know how to draw the audience's attention to your products, services, and sales message . . . and then get them to act.

Modern recruiting and HR experts bring a unique perspective to workforce management.

As former HR executives of well-known Fortune 100 companies, the founders of VantagePoint offer a more strategic approach to solving talent and recruiting challenges.

From the Fortune 100 to small businesses, we help businesses address their challenges.

The right fit starts with a lasting job. VantagePoint will ensure your business is successful.
