So why do staffing firms turn to us time and time again for websites?

Reason #1:

Award-winning design.

Haley Marketing's designs have won awards at Staffing World in 2005...

...2006...

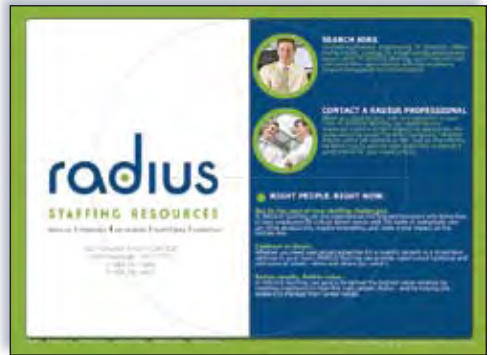

...2007...

...and 2008!

Reason #2: Staffing expertise.

No firm has built more websites for staffing firms than Haley Marketing.

Reason #3: Great features.

Reason #4: Great results!

"I can say with 100% confidence that we picked the right partner when we tapped Haley Marketing to build our website. Not only did the website win an award from ASA, but we've received hundreds of great comments about the appearance, content and functionality of our site."

Lee Witherow,
Adams & Garth Staffing and Executive Search

“Our relationship with Haley Marketing goes back nearly five years when we first began getting serious about regularly reaching our clients. They designed our website, providing us with the expertise exclusive to the staffing industry, and they are remarkably responsive to our needs.”

Bob Beck,
Staffing Professionals, Inc.

What
does your
website
say about
you?
